

Dear Sir,

We require the following for our project to proceed promptly:

1. **Electrical CAD Drawing:**
 - Illustration of lighting layout, types of lighting fixtures, and their placement.
 - Details of AC units, specifying types and quantities.
2. **Structure and Furniture Diagram:**
 - Diagram outlining the structure layout and placement of furniture.
3. **Riser Diagram for Audio and Audio-Visual Systems:**
 - Diagram showing the layout and connections of audio and audio-visual systems.
4. **3D Render of the Project:**
 - Visual representation of the project in 3D for comprehensive understanding and planning.

Please prioritize these deliverables so that we can advance with the project promptly. If you need further details or have any questions, please let us know at your earliest convenience.
